

Casualty Pollution Appetite Guide

BHSI's approach is to make comprehensive pollution coverage accessible to our business partners by providing gradual pollution coverage, including clean-up costs, as an enhancement to our standard casualty products. BHSI can also provide unsupported excess capacity over competitors combined form products. BHSI can also offer Monoline Pollution Legal Liability and Contractor's Pollution Legal Liability products in the U.S. and Canada (see separate marketing materials).

MINIMUM PREMIUM:

Includes GL Premium

Min 50K per Policy, 75K for Lead Umbrella
