Marine Claims Excellence

At Berkshire Hathaway Specialty Insurance (BHSI), we know what claims excellence requires...and we have built our claims operation to deliver.

A LONG TERM, RELATIONSHIP FOCUS. We view every claim as an opportunity to strengthen our customer relationships and our industry reputation — whether by issuing advance payments, creatively mitigating a loss, or bringing in best-in-class resources quickly.

FINANCIAL STRENGTH. Berkshire Hathaway's National Indemnity group of insurance companies hold financial strength ratings of A++ from AM Best and AA+ from Standard & Poor's, with \$316.5 billion in total admitted assets and \$185.2 billion in policyholder surplus.*

EXPERIENCE. Every member of our all in-house claims team has decades of experience. We have the knowledge and expertise to navigate and innovate to support customers through unprecedented events.

A COLLABORATIVE CULTURE. Our claims and underwriting groups work as one: Often our claims professionals work with customers preparing for specific loss scenarios even before a claim occurs. When there is a claim, we are united and flexible, determining together with our customer how to handle the claim, from the strategies we pursue, to the resources we use.

COMMUNICATION. Our decision makers are readily accessible throughout the claims process. Communicating with customers and brokers is a priority every step of the way. Our senior managers are hands-on, actively engaged in creating a positive claims experience and achieving the best possible resolution for our customers.
